EXPERIENCE

GVC, Douglas Elliman (Gasdaska Verdiglione Conlon Team) Aug 2025 – Present
Graphic Design, 3D Modelling, Web Design
Full-time graphic designer. Designs and builds marketing websites for new developments, including Le Rêve and Casa Avenida, alongside graphic design and 3D modelling for the team.

GearBook, Boulder, CO 2025 – Present
Co-founder & CMO
Co-founded an affiliate gear catalog for outdoor professionals. Handles design, development, content, marketing, partner integrations and legal; 15 members signed up so far.

Ignite Adaptive Sports May 2026 – Present
Pro Bono Graphic Design & Event Marketing, On-Snow Volunteer
Design and event marketing for a nonprofit that opens up snowsports to athletes of all abilities at Eldora Mountain Resort, plus on-snow volunteering.

Trimble, Westminster, CO May 2025 – Aug 2025
Business Systems Management & Design
Created intranet pages for the DevOps, Change Management and Business Systems teams; wrote stakeholder posts on the software development cycle; designed a brand identity (logo, assets, voice) for Business Systems.

Environmental Center, University of Colorado Boulder May 2022 – Aug 2025
Graphic Designer
Designed social posts promoting sustainability. Grew engagement 10% and helped reach the account's largest audience in ten years: 52,886 people in a single month.

millerBlaker, Bronx, NY May 2024 – Aug 2024
Associate Project Manager & Intern on Engineering Team
Worked the full architectural millwork workflow: client relations, drafting, engineering, estimating and in-house fabrication. Contributed to projects for Google, Morgan Stanley and L'Oréal.

Free Float Media LLC, Boulder, CO May 2023 – Oct 2023
Web Developer
Strengthened brand recognition and cohesion across several websites and social channels; reviewed and improved digital design and layout.

Gravity Vault Indoor Rock Climbing, Upper Saddle River, NJ May 2022 – Aug 2023
Instructor

Woodward Camps, Woodward, PA May 2021 – Aug 2022
Recreational Staff

LEADERSHIP & PROJECTS

CU Skate Forge, Boulder, CO Aug 2023 – Jul 2025
Founder & President
Founded a makers and skaters club that builds skate obstacles from sustainable materials; grew to 300+ members and 8+ sponsors in its first year; ran 100+ person events, insurance, sponsorships and an 8-officer team.

Bloc CNC, Boulder, CO Aug 2024 – May 2025
Product Designer & Project Manager
Designed a compact CNC machine for DIYers and makers with gamified joystick controls and a sustainable enclosure; led CAD, software integration, UX and the instructional workbook.
